REMARKS/ARGUMENTS

Favorable reconsideration of this application as presently amended and in light of the following discussion is respectfully requested.

Claims 11-14 are pending in the present application with Claims 1-10 having been canceled by the present amendment.

This application is a Divisional Application of Serial No. 09/525,941 filed on March 15, 2000, and is directed to the non-elected Claims 11-14. The specification and claims have been amended to include similar changes made in the parent application (i.e., to change the term "bevel" to "groove" and the term "lower blade" to "lower-blade").

Consequently, an action on the merits is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
